Arts Education and/or Arts Background

BA in studio art at Whitworth University and K-12 art education certification

ART FORM(s) and age of students you are interested in working with

Painting, Drawing, Paper Collage

Through my K-12 Art Certification, I created lesson plans that span a wide variety of content areas, including science, language arts and social studies. I focused on figure drawing during my undergraduate degree, and I enjoy doing all sorts of portraits with primary and intermediate level students. I work a lot with abstracted figures and landscape in painting, as well as non-representational painting and collage in conjunction with music and nature

Themes, concepts, and experiences to share with students

- Visual art is a wonderful way for students to appreciate the beauty of their community and their surrounding landscape.
- A painting composition is like a piece of music – everything has a place and a certain note to sing or role to play. Students can learn visual problem solving skills.
- Concepts: abstraction, non-representational work, encouraging creative imagination, color emotion and feeling, movement and rhythm in art work.

Prior Teaching Experiences

This past year 2010-2011, I have been student teaching full time in the Fairbanks North Star School District as a high school and elementary art teacher. I created and developed three units for the North Pole High School art students in the fall Semester. I will be receiving my K-12 Art Education Teaching Certification in May, 2011.

Why do you want to teach the arts in Juneau schools?

I was born and raised in Juneau and would eventually love to settle in Juneau and work to encourage all fine arts in the community. I grew up in the Juneau School District and hope to give back to the students of the hometown that I love so much.

Past Experience with Artist in the Schools residencies: None to Date: X

Have you been part of the Teaching Artist workshop series?

Yes, whole series Yes, some of the workshops X No, not yet **Will do in Fairbanks 5/11**
